The Story:

Monique can go and some. Welcomed into the falt wih a passionate kiss. Straight into the bedroom and got the oney out of the way. She returned with her dress already removed and in a g-string and bratop. Started out with some god ol snoggin, moved onto the bed where she ditched her underwaer and proceeded to give me some really good OWO. Must say that Moniquir is surely an oral specialist, came in her mouth and she discretely disposed of it.

After a brief massage onto some sex in mish, cowgirl and then dogg, managed to whip out and come over her tits. What a sight

Would say that it was a value for money punt and recommend
