### The Premises:

Her flat is easy to find at walking distance from Earl's Court Tube Station, just make sure you take the exit on the side of the Exposition Center, in the past i've seen other girls in this flat so i already knew the place.

### The Lady:

More or less as her pictures even if there she looks taller.

### The Story:

The agency recommended her, but, speaking the truth, she was just a waste. During the whole punt she was just distant, uninterested and quite cold, did not performed well and did not care at all about the paying client. I paid 180 to wank myself.
