### The Premises:

Clean, upmarket flat.

### The Lady:

Imaculate complexion, very good looking, nicley made up and made an effort with her apperance.

### The Story:

She gave an above average performance, certainly knows what she wants between the sheets, nice if short BBBJ technique, retuned the favour to find that she had already applied some sort of warming jelly which gave a burning sensation. A couple of rounds of sex. Had a shower and left.

My conclusion: Her attitude is her downfall, seemed burnt out and distant. Would'nt reccomend her to a first timer.

My recomendation is if your into the PSE type and can hold your own, them YMMV.
