The Premises:

Nice safe flat in SW3 no issues getting there. Clean and tidy (if a bit small) within.

The Lady:

Mid 30s, 5ft ish (maybe an inch or too taller) true to the photos with simply massive tits. She's rounded and has clearly been plumper but was a nice size for me. Don't book if you want a skinny wench though.

The Story:

Just got around to posting this through it was two months ago. Booked Alina on a bit of a chance as the photos seemed to show a gravity defying bust and that's what I was after. Alina is Russian and very friendly lives up to expectations looks wise (can also be seen on the naughty nurses web site). She gave me a great OWO though no CIM and I came on those massive tits and after a relaxing (and very good) massage went on to round two with her riding and me enjoying the view. Not an especially special punt but damn fine breasts if you are into that.
