The Premises:

Brooklyns long established parlour, parking to rear, entry off busy road or at rear. A word of caution for the shy, MP's, chief constables or local dignitaries - once inside things aren't to discreet, I sat watching eastenders for 15mins in the company of two other gentleman also the entry/exit to both rooms is in full view of the said waiting room so be prepared to say hi!

The Lady:

I had made an appointment to see jennifer going by her photos on the brooklyns website, while waiting in the reception the other girl said hi and I thought `cor` thinking I may have made a mistake, then my appointment popped in and I thought `bloody hell!`. The site photos don't do her justice - about 5`8" of gorgeous redhead, slim, curvy, great tits, super shaven pussy and great fun to be with.

The Story:

Had booked an hour so could chill and this was a good decision. Spent a good 20mins just being massaged and chatting until she asked if i`d like anything a little more sexual, well I was enjoying the massage so much (and the odd ball tickle)that I could have carried on but hey who am I to refuse a request like that! so we went into a seriously long bbbj/69 workout - gents what a great blow job, over for some heated cowboy then I asked her to finish me with another bbbj. I thoroughly enjoyed the time I spent with this lady, as well as being a very attractive I found her a great person, this was bordering on a saucy GFE. Jennifer if you ever find yourself at a loose end one evening...
