The Premises:

Been here a couple of times before and the place has always been nice and clean with the room kept neat and tidy. With a couple of magazines to get you excited before the young lady arrives the place has a real air of having thought through what's need to make these visits that little extra something

The Lady:

A 5ft 6 in blond with absolutely beautiful body hidden behind her lingerie. She was wearing a bra and knickers (I'm not really a fan of G-strings as I am quite happy with seeing her arse when pumping from behind).

She had a pierced belly button, plugged with a snug fitting pink stone. Louise suggested that she was hoping to get different stones to go with her outfits. You never know if you turn up with a stone she might give you something a little extra! Not that you won't leave pleased anyway.

The Story:

After seeing pictures of her on the website and reading the previous reports on her I was expecting a fantastic punt. I certainly wasn't surprised. Seeing Louise in the flesh and the lingerie(!) I decided that she would have me coming in seconds. So decided to go for the come twice option. Louise filled me in on the fact that she did OWO and CIM as well as her usual deep throat action.

Opted for the covered option for safety.

After exchanging the necessities she returned and got me to undress. Would much have preferred for her to undress in order to allow for me to get my hands around her curves to warm them up.

She got straight down to action and started kissing my dick up and down and put her tongue and mouth around my balls. Out of this world! After getting me nice and hard, she went on with the cover and got straight down to deep throating me. Was she enjoying?? Don't know but she certainly gave the impression that she was in heaven gagging on my dick!

Didn't take too long for me to shoot into her mouth.

In order to get me ready for the second coming (!) she got me on my front and gave me a fabulous body to body massage, rubbing her tits all over me, the mirrors in this place allow you to follow all the action.

Flipping me over a lot more licking/sucking my balls and gentle kisses up and down my dick got the little fellow upstanding again. This woman jumped straight on with some great cow girl views pushing her tits up.

Once she felt I was ready to come, she slowed right down and teased me.

Getting off she laid herself back and splaying herself invited me to fuck her ragged.

This was a fantastic punt. Will definitely be paying this girl a visit again.
