### The Premises:

Nice clean ground floor flat in a reasonable area, appears to be fairly safe, parking can be a little tight at times close to the flat but plenty within a minuits walk. A busy establishment but i was made very welcome with a cup of tea whilst i waited.

### The Lady:

Lucy is a lovely little (size 8 blond) 5 ft 6 in with a gorgeous figure and beutifull tiny tits, she is shaven and knows what she likes, so if you like to lick cunt you will find her only to pleased to let you suck her sweet tasting wet cunt. I must say the only dissapointment was that i did not get to fuck her since i was being sucked off by another girl at the time and shot my load to quick.

### The Story:

i had a great visit i was looked after and treated great and will be visiting again at the first opportunity
