The Premises:

A smart modern appartment behind Staples. Very clean and tidy. Easy to find. Very safe area, with plenty of parking about. Room had a nice en-suite to freshen up before and after.

The Lady:

Georgeous is the best description. Carla has a fantastic petite figure, wonderful breasts that are entirely natural and a cute bum. A very pretty face and sexy eyes. Today she was wearing the pink trimmed leopard skin bra (see pics on the web site)and a short mini skirt and no knickers.

The Story:

I had been planing a visit for some time. The pictures of Carla on the website (and particularly those breasts) enticed me so much I just had to have her.
Had some time free and was surprised when I rang to find she had a free slot so I jumped at the chance. My trousers bulging in anticipation as I drove to the appointment.
Sophie answered the door and showed me to the room (perhaps another time). Carla soon appeared to greet me. I was gobsmacked for a while at finally meeting her. She kissed me on the lips and introduce herself and we cuddled. I asked to freshen up and got the finances out of the way.
After a quick shower I got out with just a towel to find Carla draped across the bed waiting for me. I lost the towel quickly and kissed and cuddled Carla again. She suggested that I undress her, so the bra came off and I immediately had to kisss and suck those breasts. My hands slipped down to lift up the skirt and feel that fantastic bum. In front of the mirrror I fondled and explored her body before she got a condom and slipped it on the old man. Carla then proceeded to give a fantastic BJ which I had to hold back from otherwise it would have been over! we moved to the bed and I started to explore her trim pussy. What a sight! You certainly don't get this on the web site. I gave her oral and put a finger inside before wanting to get in there myself. Carla got ontop and slipped the old man inside her. It felt soooo good I had to slow things up again.
On to reverse cowboy and I got the feeling that Carla was just using me to pleasure herself. Well I wasn't complaining. Eventually I got her on her back with her legs wide apart (a sight to die for). Once I started to pump into her, there was no holding back. So I never got to finish with doggy.

After we chatted a bit about her job and travel. Then a shower to clean up. Carla brought me a fresh towel and popped in the shower as well, as I got dressed.
When we were all dressed, a kiss and cuddle before leaving with warm glow.

All in all a fantastic experience and value for money. She ceratinly enjoys her job.

Thanks Carla and I hope this report is worth showing the other girls!!
