### The Premises:

Victoria House is the best parlour I have used. I'm always made to feel very welcome there.

### The Lady:

Very vivacious and attractive young woman in her twenties -slim and exceptionally lovely.

### The Story:

I've seen Jessica three or four times now, and each time gets better and better, as we get used to each other. She seems to enjoy every moment, and is very bubbly, fun-loving, and affectionate. Definately one of the best girls at Victoria House, which is saying something considering how amazingly good most of the girls are down there.
