The Premises:

Victoria House, probably one of the best, very nice, very clean, sauna, jacuzzi, nice welcome from the receptionists and shown the photo's on the walls of the girls in that day...I chose Melanie...and her photo's didn't lie! I went for the VIP room at 15 quid, a really nice room.

The Lady:

Very pretty blonde, fantastic figure size 10 at a guess, and lovely perky boobs! Nicely dressed in tunic, which was soon whipped off to reveal a nice matching set of undies with stockings.

The Story:

A very warm welcome from Melanie with a hug and kiss, she looked VERY nice! She is very friendly and chatty and made me very at ease...

Asked to lay on the couch and asked if I would like her to take off the tunic...silly question!

She proceeded with a very nice slow massage down my back and legs, and ending up with some nice ball tickling from behind.

Asked to turn over and she lifted the bench so I was sitting up slightly and as I decided to give her bum a squeeze she took my hand and ran it all over her body. She then took off her bra to reveal a lovely pair of pert boobs, gave me some lotion and helped me to rub it in. She then guided my hand down to her pussy for a rub over her knickers. Whilst doing this she started to play with my cock....she then asked what I would be interested in....sex and oral was my choice....out with the condom and some very nice oral, she asked me to stand and carried on sucking on her knees...a fine view!

Onto the bed where I played with her by now very pussy and clit until finally the main event, nice and slow...no rushing until I was ready to burst, I asked if I could shoot on her tits....of course, so off with the condom and more wanking from Mel till I shot all over her lovely boobs....

A clean up and chat....another hug and kiss, and I was on my way with a smile on my face!

Would I recommend Mel....definitely...but not on a day when I want to book her again...don't want her to be unavailable!
