### The Premises:

Neat, tidy and clean.

### The Lady:

Jada is about 5'2" with D cup tits and all round great figure. Her face is average. The website says she is 21, but she told me that she is the same age as me - 25.

### The Story:

Went in and had to wait about 15 minutes (not a problem). When I went in, I told her I needed a shower first after a stressful day and she approved even though the phones were ringing off the hook.

Agreed for the 20 minute session (Massage, oral and sex) and added in reverse oral for a tenner more. Jada gave me a quick massage and then asked me if I wanted to be sucked off or me to go down on her. I licked her out first. Had a few hairs in my mouth from doing this (I don't mind unshaven, just as long as the clit area is clear).

I then laid on my back and let her give me oral (covered). It was ok. After that she rid my cock, but sadly she could not look at me while doing it. This for me is a turn-off, as it makes me think that the girl is just after the money.

I flipped her over and started doing it mish. Again she looked away. Was going at it and then the dreaded knock on the door came. She told me that time was nearly up. She asked me if I wanted a handjob to finish me off. She wanked me off and I came right on cue.

Jada is a lovely girl to talk to, but I was disappointed. I've been meaning to come to the Palace for some time now, but this visit made me regret that slightly. Maybe Jada was busy that day and was tired, who knows.

I'll come back on another day to visit another girl, but I think if I'm frisky on a Friday, I'd rather go somewhere else.
