The Premises:

A modern and clean apartment in central London. Two spacious ensuite bedrooms with lounge and kitchen. The whole flat was lit naturally and pleasantly warm. No problems in finding the flat and was made welcome by Lady M and her 3 lovely ladies. Other guests were arriving, I think 7 in total, and we quickly undressed and were given a robe to wear. Valuables were safely secured away.

The Lady:

Lisa is a tallish, buxom German porn-star. She was wearing a negligee which showed-off her ample bosoms to their best.

Sophia is a Spanish lady with unlimited energy. She looked after us all and even managed an unexpected finale (more later). Short dark hair with pert boobs and a lovely, round, smooth ass.

Leah is a quiet Brazilian lady who gives the best GFE I have experienced in many years. She has a similar physique to Sophia and just loves to party.

The Story:

Lady M's parties have received rave reviews so I had to get along and see for myself what all the fuss was about. I have been to other parties both in and out of London and I can safely say that this is the best. Maybe its because its run by women that all the small, but important, things are taken care of.

I started with Sophia and in no time I was feeling her dark smooth skin and rubbing my hands over her pert breasts and getting them to swell at the same time. Soon I had a rubber on and was receiving a bj. It wasn't long after that, that Sophia lay down on her back and I slid my member into her moist pussy. First time round it didn't take me long to come and I collapsed into her welcoming arms.

Time for a short break in the lounge and a quick chat with Lady M. She has a lovely figure and I was disappointed that she wasn't partying today - perhaps another time. We had a few giggles and it wasn't long that she hinted that perhaps I should rejoin the others.

Next it was the turn of the delectable and horniest of all women to receive my attentions. Lisa is what

you imagine all female porn-stars look like. Tall, buxom breasts (must at least 38GG) and a soft german accent. I had managed a short but quick grope at her breasts whilst I was with Sophia (4 on a bed at the time) but this time I had exclusive use. As before a condom was put on before any oral started. She gave a comfortable bj which went longer than normal as I had come already. I asked her to desist and I got her on her back and into the mish position. Now I could really grind those breasts, couldn't get my hands around one of them let alone two. I was shafting for all my worth and after a while I raised her legs so that her ankles were level with my ears. This allowed deeper penetration and I felt close to coming. Lisa seemed to be enjoying my thrusts as a contented smile came across her face. I then suggested doggy, our 2 bedfellows were in the same position and the 4 of us went at like rampant dogs and bitches on heat. The sweat was running down my face as I finally gave out a cry of relief and came in spurts inside Lisa's welcoming pussy.

I really needed a rest after that and I think my body demeanour gave that away by the comments from Lady M as I re-entered the lounge. After a few swigs from my beer I felt refreshed and ready for a final fling. Talk soon switched to whether anybody had the energy to use the swing in the next room. I would have loved to have tried it with Lady M but as mentioned before she was unavailable today - maybe next time!

My final session was with the third and final lady at the party, Leah. I had spoken briefly with Leah before the party started and soon found out she was Brazillian. I made a few football jokes, mainly at the expense of Ronaldinho explaining how he would shortly receive some football lessons at Stamford Bridge! This was all taken in good fun and it wasn't long before I was groping her delectable bronzed body on the bed. Leah is very quiet but uses her body to transmit such exquisite sexuality to her partner and I experienced something I have never had with an escort before. I managed to keep an erection whilst Leah got on top and grinded me slowly to the sheets. She maintained control with her vaginal muscles and at the same time rubbing her torso against mine and using one arm under my shoulder to pull me even closer to her. Her face brushed against mine and I kissed her cheeks, neck and earlobes and whispered all sorts of obscenities into her ear. She never said anything except gave out short gasps of air as she came in my arms. I was aware of others watching and a few comments of how much longer can they keep this up! Leah's hair was getting a bit dis-shevelled by now and I could feel the sweat dripping down her back. Eventually I got off the bed and Sophia suggested I took a shower.

I jokingly asked if she was going to join me and she replied in the affirmative. However, she really meant I was only going to get a rubdown whilst she stood outside with her lingerie still on. I don't think she wanted to get her hair wet!!

By now Lady M was calling time and we had to get our clothes back on. I thanked her and all the 3 partying ladies for a wonderful time and pledged to return another day.
