The Premises:

A nice flat off of Haymarket near Picadilly Circus. The entrance was off of the street but it was quite discreet. The building was new and well maintained, the flat was attractive, although sparsely decorated.

The Lady:

Long, straight black hair. Firm body. Smooth skin with no blemishes or tatoos. Agency's description of 34C / 5ft-5in sounds correct. Her skin is a bit more olive toned than her pictures suggest, she is from the Baltics but you could mistake her for Greek. I noticed that new pictures were posted two days ago that look just like her, but for some reason the old ones are back up today (hair w/fringe) in which she looks younger and a bit more rounded.

The Story:

Vivian is a lovely girl with a sweet, shy disposition. We had a great time with some pleasant conversation about her home and her plans for the future. She was entirely focused on my pleasure -- started with OWO, followed by cowgirl, "spoons" and mish, ending with CIM! Fantastic. Had a GFE moment that I won't forget, as she gave me a lovely smile, her hair draping down over me. Hmmm...

As I was saying. I really enjoyed myself. Highly recommended!
