### The Premises:

Her flat is situated in a new, security protected and very upmarket estate, set in a rather less upmarket area off the Harrow Road. The flat itself was spotlessly clean and nicely furnished. Actually finding the flat in the estate, which is not well signposted, was not straightforward, so it is best to insist on precise instructions, in advance, from the Agency. I had to make the duty security people direct me to right block. Naturally, for obvious reasons, it's not good for this to happen too many times.

### The Lady:

Susanna is a beautiful Hungarian girl, with very long, straight blonde hair, a deep all over tan and a slim but "sporty" body. She has nice gropeable tits, that she told me are enhanced, and a pert tongueable arse. She was wearing the same short denim skirt that appears in many of her online photos, which, with the hair and the tan, gave her a touch of the Chantelle, out of Celebrity Big Brother.

She is sweet and friendly, and has a reasonable - though not Pulitzer Prize winning - command of the English Language.

### The Story:

As hinted at above, I arrived in the condo about 5 mins early, but got to the actual flat 5 mins late due to the piss-irritating fact of getting lost on site! How daft is that? Not my fault at all!

When I finally arrived, Susanna soon put me at my ease. I handed over the wonga, then freshened up with a quick shower, which entirely washed away the earlier pissed off mood. When I emerged from the bathroom, we began with some intense snogging, French style, with tongues, then got undressed while continuing to kiss. Stark naked, she is a very sexy, ravishing and ravishable lady, and I fully explored her lovely tanned form with my hands, my lips and my tongue.

What followed for me was a really yummy Higher Primate fuck with a fit and nubile female of my species, preceded by some very pleasant two way oral, and followed by some more gentle kissing and chatting.

To sum up, the whole experience was very enjoyable, and something I definitely needed. Although I myself tend to be into very straight, almost boringly non kinky animal-like copulation, I do get the impression that Susanna may well be up for something far more imaginative. Various websites on which she appears suggest this. Yes I would definitely recommend her.
