The Premises:

Locating the venue was easy despite being unable to locate it on any of the London street search engines, the instructions were clear and accurate. It is a modern new apartment building, without a dedicated security guard. Very clean and easy to locate. Entrance phone and discrete entrance way

The Lady:

The Story:

On arrival a drink was offered and personal belongings securely stored. After a shower, the fun began at the first ever Saturday Afternoon party. The ratio of ladies to gents was at worst 2:1 so every one was able to play as they wanted. The ladies were very friendly, open and more than eager to please.

Honey, shaven and a minx

Robyn, shaven, big busted and a right lover for attention at "Platform 1" (you know what it means Robyn)

Rachel, a lovely slim Brazilian with a Brazilian to match and a magic mouth

Lisa: a stunning large breasted German who just loves scuba

Lady M: dard, sensual and multi-orgasmic

During my stay, I managed to play with all the ladies present and reached a personal best of 3 orgasms in the time. I did manage to replay at least 3 of the ladies as my wicked tongue found the right button and the correct combinations. Despite it being my first party with Lady M, I was made most welcome and all the guests treated their fellows with respect.

The swing-sex was a unique experience for me as I had not come across this before. The entertainment and voyeuristic value was excellent. The final 'assisted' shower with 2 beauties capped a wonderful afternoon of sexual fun.

Would I return, YES - and looking forward to it
