The Premises:

My place, so fine!

The Lady:

Early-mid 20's, about 5'7, long blonde hair, very pretty face, good figure - slim, 34D. Very well presented - altogether a very attractive lady.

The Story:

Louise was actually the fifth girl from Cheshire Companions that I have had the pleasure of meeting over an 18 month period. I must congratulate Jane and her staff at the agency for their spot-on descriptions of their girls - Louise was absolute perfection!

I called Jane at the agency who recommended Louise to me. Five minutes later Louise rang me for directions, and was on my doorstep within 20 minutes. I felt very relaxed in Louise's company - she is very down-to-earth, chatty and quite charming. After about 10 minutes, Louise made the first move and suggested that we adjourn to the bedroom. I won't describe the subsequent events in detail - suffice it to say that Louise was absolutely brilliant, imaginative and enthusiastic, and left me exhausted!

After a quick shower, we chatted for a further 10 minutes or so, before it was time for Louise to leave. But the memory remains.

Thanks again, Louise, for a brilliant evening!
