Nice, clean town house not far from me which is good! This was my first time so was a little nervous but was made to feel at ease and was offered refreshments on arrival.

The Lady:

Paris is a real sexy lady...with curves in all the right places! Check out her pics on her website to see for yourself!

The Story:

As I said, this was my first time doing this kind of thing but Paris made me feel relaxed as soon as I met her. If you are reading this review then the next thing you need to do is make an appointment with Paris. I won't go into details but basically the whole experience was great and I'll definitely be making another visit soon!
