The Premises:

Clean, tidy, and discrete. Very friendly welcome and a short wait for Rachel in a private area.

The Lady:

Rachel is blonde, great figure and small (but firm) boobs with nice nipples. She's shaved.

The Story:

I've been to this place before and it was my first time with Rachel. After she'd wandered round the house looking for where the receptionist had put me, she came in and put me immediately at ease. I wanted anal but Rachel doesn't do this.

Started with a massage using her fingertips and her boobs on my back and then over onto my front. Lots of eye contact for oral and licking my balls as well as my (covered) cock. Very good technique too..

Then on top for cowboy and really riding hard. She stopped and stretched over the back of the bed and played with herself before coming onto all fours for me to fuck her from behind. Finally she turned over for mish and we finished.

Rachel is very good, noisy (which I like) and makes a real impression on you. I will definitely be back again.
