The Premises:

WFB in Bury - well reported on previously, friendly receptionist, no problems apart from very dim lighting in the actual room.

The Lady:

Very tall slim blonde, about 5' 11" long hair, beautiful face, very friendly and chatty.

The Story:

Had to wait a while after my shower but Abby eventually appeared and gave my back a very good massage whilst chatting away happily. Turned over for some excellent kissing and cuddles which had me up and running in no time, but rather spoiled by proceeding straight to oral with a condom (owo was not offered) and despite her excellent technique the condom (and lack of light in the room) put the dampener on things rather. Did eventually manage to get back up again and proceeded to mish with kissing which, with a girl this good looking, had me finished off with a smile on my face. I think a return visit would be on the cards, cos she is too cute and friendly to resist.
