The Premises:

Very nice, clean and tidy, apartment in the Moortown area of Leeds. Very safe area, with easy and safe parking.

The Lady:

Very attractive, and pleasant, about a size 16 I would think. As on her website, she really does have the most beautiful eyes. Very clean, and dressed in sexy high boots (which stayed on), and a short black dress.

The Story:

I was a bit nervous when I went into the apartment at first, but my nervousness was gone within a few seconds. Trisha greeted me with a nice smile, and we were deeply kissing within a few minutes. She is wonderful to kiss. We then moved onto the bed, where we had a wonderful hour-I will not go into details. It was an experience very much like visiting a girl friend, I will certainly go back to see her again. Money was not mentioned at all, I gave her the cash as I left-she even said she had forgotten about that! A lovely lady, and a very nice genuine person-wish I could keep her for myself.
