### The Premises:

A relatively big and cosy flat, 2 minutes from Earl's Court tube station, in a quiet road an very safe one.

### The Lady:

Ann in a busty young girl from Russia, with a firm body, tall and her website picture are accurate. She is a very nice and sweet person too.

### The Story:

This was my first time with Agency Barracuda. I have chosen Ann due to the busty figure of this girl although i am always a bit scared with girls from Eastern Europe. Not with Ann . She welcomed me in her flat and i was offered a bath. After that and to my best surprise i find out that this girl is the hottest girl of eastern europe. Especially the kissing, french kising with tongue, led me to paradise and make me felt like i was with my girlfriend. I do not want to go through details for sex etc because of respect to this girl and to any other girl. Treat her well because she is a true lady.

Well i was so much satisfied that i booked her again next day , Saturday 11th Feb 2006.
