The Premises:

The Director's Lodge is a well known establishment. Easy to find from the M1, and lots of safe free street parking outside.

Inside, the place is nice and comfortable, a good job as I had to wait a while to see a lady, but that was no problem. The receptionist made me a coffee, and I was quite happy to wait.

The Lady:

I was offered the choice of Rachael or Emma. Both very pretty slim blonde girls, but I chose Rachael as she was the taller of the two.

Ideally, I prefer a more rounded lady with big boobs, but Rachael was very pretty, slim, with blonde hair small pert boobs and lovely long legs, very sexy indeed.

The Story:

Started with a nice talc back massage, Rachael rubbed her boobs and pussy over my back, and then slipped her hand between my legs and played with my balls. Then I rolled over, and she played with my cock, getting it hard before slipping on a condom and giving me a very nice blow job. Then I asked her to kneel on the bed, while I stood and fucked her doggy style, with her reaching underneath herself and playing with my balls. Then while I remained standing, she gave me another suck, while I leant over and played with her pussy, before finishing by laying back on the bed while Rachel knelt between my legs and sucked my cock until I came in the condom.

A great experience, with a girl who really seems to enjoy her work, and loves talking dirty, all in all a very satisfactory experience.
