### The Premises:

Pleasant, Clean and comfortable flat very close to the Underground

### The Lady:

Attractive and slim with very nice real breasts

### The Story:

This girl is all hot action and is definite VFM. As soon as you are comfortable she is all over you and down for a very good owo. She enjoys 69 and will let you explore her intimately. After some excellent foreplay I had a great mish but then I took from behind for an energetic doggie, but I ended the session with a truly stupendous cim.
