The Premises:

Nice flat, just off Euston Road. Got a mini tour of the pad, very nice. Bedroom has several mirrors in the right places(if your into that sort of thing)

The Lady:

I know all the guys says this but she is much better then the pics with deep eyes and a cheeky smile (reminded me of Gina G, the eurovision singer.ooh ahh little bit more).

The Story:

Been punting for a bit and use ATOC as its the most professional and always comes up top. I have never seen a girl twice, as I like the variation, but Sherry is an exception to this rule as she's so good.

A true GFE, she's got a really friendly smile, and theres constant eye contact which I get lost in. Deep, deep kissing and foreplay. I wont go into details but everythings on the menu except A levels. Shes does everything with enthusiasim, a part of me didn't want to write a review as I want her to my self.

She's pushes all the right buttons in the sex department, her english is not 100% but we have fun and a laugh trying to understand each other. She's very cheeky and cute, any man will fall for her charms. Also not a clock watcher as both times she had her tongue down my throat before realising we had gone 15 mins over time!

Treat her with respect and kindness and you'll have a true GFE. Man, I think I am in love.
