The Story:

What a fantastic girl. This was my first visit to this establishment and will not be my last. The retreat were flexible about appt timings as i was running late. Lisa greeted me in a lovely outfit that complimented her fantastic figure. Went for tie and tease, some OTK and strapon action and hand relief to finish.

This girl has a touch that could melt ice with her touch and teased me to distraction while giving me a nice toy show.

Then it was over the knee for a firm spanking with hand and paddle, Both expertly delivered to my quivering bottom.

On with the glove then as she expertly fingered me in preparation for her strapon.

I was then expertly and completely screwed by lovely lisa and made to watch every thrust in the mirror; wow!!!

Finished with hand relief in 69 pos and had the hardest climax i can remember (reached over my nipple line).

Thanks lisa for a lovely time and for the best 30 mins service i have ever had
