### The Premises:

Phoebe kept in touch by txt and phone from booking to meet - directions to her lovely home were great and parking easy and safe close to her door - although it was dark the detail of her directions led me to her without delay

A drink and a soft sofa started our conversation.....

### The Lady:

Phoebe is a fit girl and runs to keep fit and trim - she does this oh so well! Good looking cute smile a girlish laugh and a personality that you couldnt find if you tried!

Well educated professional(as in career!) girl - we had a great time chating and laughing as I also have met a friend of Phoebe on a couple of occassions (Hollie) and we compared 'he said she said' and - what a laugh this lady has -so so welcome - but, soon Phoebe said" lets U and me

.....

### The Story:

..... - nice bedroom, homely like my companion Phoebe - we hugged kised and well everything else stays between me and Phoebe, I will be seeing her again - infact before I see her on her own again - Hollie,Phoebe and myself will be having a 'not so quiet' night in at Hollie's!! - Yeah I will be seeing lots of Phoebe - for as long as she wants me x
