The Story:

Arrived without problems and parked failry close. Got into the place and startyed chatting with Sam. She is very nice and soon had me eating out of her hand. Had a shower and joined her on the bed. Her clothes had disappeared and she is really one fit lady. The massage did the trick and had me begging for more so on with the condom and into shagging mode. She ceretianly gets stuck in and we had a great time eventually finishing off on top of her. All together a very nice sesh with a lady who is built for it and is certainly a see again.
