The Premises:

V.H. As good as ever, except the Jacuzzi seems to have developed a problem & is out of use. Massive improvements in the web site with many more photos, of the Ladies & facilities. Staff ? still the best, good as you will get ? spent 10 mins with the receptionist, who once I informed what I would like this day, pointed me in the direction of Alex.

The Lady:

What a package - not very tall - slim sexy blonde, silky hair, soft skin, perfect figure, with shapely firm proportionate boobs; which are all her own. Nowhere near mature, but not a teenager ? very good looking lady, with a sensual smile & sexy blue eyes ? this lady is a treat to look at, never mind anything else she does. Slimmer than her photos, perfect body. Just a ?dead sexy? woman!

The Story:

"So where have they been keeping you" I thought out aloud, as Alex entered the room - eye contact, smile = instant "professional bonding", not to mention instant rush of blood to lower parts. Did I want a massage? No. Alex wrapped herself around me; we, or at least I, then enjoyed a full half hour of a true GFE. Alex was a delight; she is so sexy, so skilful, so eager to please in a very natural way, went through the menu (as allowed at V.H.) ? not going to give a blow by blow :-) account, suffice to say ? everything was sweet, horny & seemed to be enjoyed by us both (sign of a good WG). Be respectful, be polite & gentle (until encouraged otherwise), & you will have the time of your life with Alex.

I just cannot understand why Alex has no reports on here?

Tells me she does a two-girl service ? but I got the impression, not the full scene, may be wrong on that.

Alex truly is a very sexy lady & I will be back for more, soon!
