The Premises:

Very comfortable, clean, warm. Felt safe, ample parking in area. Friendly female helped with directions, girl description and was nice to chat with while waiting. Showed me album of girls that work in studio and offered refreshment. Even chatted about the news, nice change to see polite intelligent 'lady of the house'.

The Lady:

Daniella is a tiny, long blond haired beauty. She has flawless skin, tight every where and is very warm, and inviting even before we discussed business. The 'menu' left any guess work or hidden surprises about services offered.

The Story:

Well guys apparently Daniella is one of the most popular ladies that works there and I know why. If I was to pick one of my most amazing sexual experiences of my sex life this would have been it! Wonderful eye contact, nice clean and tasty everything...without going into great detail I know Daniella will be a wonderful habit to have. What really blew my mind is not only is she sexually amazing but really nice to talk to. Slovakian women are without a doubt my favorites now.
