The Premises:

terraced flat off gloucester road. nicely kept small studio. felt safe at night so no complaints.

The Lady:

as in pics. pretty girl. body is firm and curvy. great tits. she feels as if she needs to lose a couple pounds but i had no complaints. no belly or sagging.

The Story:

i had an enjoyable time with a nice sweet girl. she is not all over you and seems a bit shy on meeting but during sex she is very vocal. this was more with girlfriend than pornstar.

had 2 good sessions. owo was not the best. light but caressing. the sex was the best part. her pussy is very tight. the highlight seeing her come vigorously on top.

dont expect her to lead an shower you in attention but if you want a real person who will enjoy sex just like you then she is good.
