The Premises:

easy to find and room was ok. the flat was a little run down but otherwise everything was fine. plenty of parking and very safe going into and out of.

The Lady:

it is the lady in the photos and then some. she is tall 58 ish and has the best legs i have seen in a long time.

she is a lot better when standing in front of you with her under ware on but belive me she is a very horny looking lady.

The Story:

she open the door dressed just as i had asked with some wonderfull underwear on and stockings and heels.

quickly off with the shoes as she was 2 to 3 inches taller than me and i am a 6 footer.

she kisses as you wished every girlfriend you ever had would kiss.

is open minded to every thing .

owo no problems cim reverse oral.

and every thing else that the agency says she is happy with she was.

i had a great time and have been back. she has to one of the best value for money ladies out there. she did say she was only staying until may so be quick as i know she can be booked up.
