The Story:

This was my first escort experience and so i was nervous, but demi put me at ease instantly, she is great conversation charming and fantastic aswell.I very much doubt this is how all punting meetings go, she gives a real girlfriend experience and genuinely seems to enjoy it,(thanks for the compliment).

I cannot recommend her enough, if you are a regular punter and fancy a change from the kind of girls that are wham bam thankyou mam(based on reports i have read), then this is the lady for you, or if you are a newbie like me then there is no better place to start.

Thanks demi xx
