The Story:

After being introduced to all 3 ladies chose scarlet, who the receptionist had said, was new to the industry. And had only started the week before. Was shown to the room and she asked if i would like a shower. Scarlet returned to the room after my shower and began by giving me a massage. Which was amazing, she then told me that she was a professional masseuse. Whilst doing so she caressed my balls and for a novice she seemed to have no inhibitions!

As my cock went hard she performed mind blowing owo, at this point i could hardly contain myself. But luckily for me scarlet knew when to slow down and prolong my pleasure.....

After realising i didn't want this experience to end i decided to stay for another half an hour. To my delight the sex second time round was equally mind blowing. Scarlet was very adventurous and seemed to be enjoying fucking me as much as i did her!

Will definitely be revisiting again, not one to be missed.....
