### The Premises:

karens in levenshulme easy parking, clean, new beds, what more karens is as it always has been an excellent parlour in my opinion.

### The Lady:

gorgeous mixed race girl about 35, small tits, shaved, long legs, welcoming and friendly lady.

### The Story:

this is my first report in over a year not because i havent been punting but simply because i always go to karens and i dont want to keep reporting about the same girls every time. the reason for this report is simply because karens has been getting a bit of stick lately and i wanted to stick my tuppences worth in and say that nothing has changed one of the girls may have moved on but the rest and in particular the horny celeste are still here.

any way enough rambling and on to the punt celeste offers everything i wanted, poppers , reverse oral, a true body to body massage, rimming, fingering and finishing with a big load cum.

to finish probably wont report again for a while cause i will be going back to fuck, suck celeste again and again.
