The Premises:

Easy to find imposing West End apartment block. Clean and well presented inside.

The Lady:

Awesomely beautiful 19 year old with the figure of an Amazon. Even better looking than her agency photos suggest, in fact rather more sweet and innocent looking. Greeted me in high heels and modestly revealing black dress. She somewhat towered over me in her heels (I'm not that tall) but this put me pleasingly level with her magnificent bosom. No make-up as completely unnecessary on such a fresh faced girl. Smelled and tasted delicious (eg no hint of the dreaded ashtray).

The Story:

A delightful GFE - she's gentle, but not impassive and clearly got aroused. She has a way of letting you know discretely if she likes (or doesn't like) what you are doing that I found quite charming. Her English is naturally a little limited but she has such a delightful aura about her that I was quite happy to spend the last 15 minutes just cuddling up to her.

She tells me that she is Estonian but studying economics in Moscow, so an intelligent lass to boot.
