The Premises:

Parlour off a main road and entrance through a garage services yard which is usually floodlit. Not too discreet.

The Lady:

Brunette in late 20's. Ok figure. 36c boobs. Maid said she was Italian. Maybe.

The Story:

Haven't visited this parlour in years and thought I'd see what sort of talent was on offer while driving not too far from the area. There were 2 girls on. The other girl (Diane, put out as Turkish but is probably albanian or something) was busy..just as well because I remember seeing her a long time ago and wasn't happy with her service.

Nicole was quite attractive and given it was late I decided to stay for a 45 min service. No owo or A, but the maid had already made that clear over the phone so I wasn't fussed. Reverse oral (pussy eating) available but it's not something I engage in with most girls for reasons of hygiene and safety. I probably wasn't there for the full 45 minutes but I won't fuss over that. It wasn't a bad service given that the parlour is a very busy one. (I heard the bell ring about 10 times while I was there).

Good session of cowgirl before leaving.

Nothing spectacular so I won't be back.
