The Premises:

Nice warm room in a well-maintained block very near to the Exhibition Centre. Easy to find and Affairgirls text you the address which I find to work much better than trying to scribble down an address being read out to you (often with a strong accent).

The Lady:

Diana is a lovely young Russian girl. The pix on the web are certainly of her.

The Story:

A very enjoyable experience. Diana gave me a friendly welcome. When I returned from taking a quick shower we stood kissing briefly and then she sat on the bed in front of me and took my cock straight into her mouth. She invited me to join her on the bed and the bj continued until she asked me if I was ready for a condom. Indeed I was! We then fucked, first with Diana on top and then mish. A pleasant chat followed before we started round 2 - another bbbj and then sex in various positions. I didn't manage to cum a 2nd time but this was certainly not Diana's fault - she was responsive and even encouraged me to try another position when I was starting to think about giving up.

She told me that she is going home for a holiday soon but will return. I do hope that she does because I certainly want to return to her bed.
