The Premises:

A second floor flat at the edge of town centre. Demi gave detailed location by phone. Street parking near by. Flat warm, clean & tidy, bedroom decent size with double bed and clean towels. Porn playing on TV - but can't think why anyone would watch it with Demi in the room.

The Lady:

Demi describes herself accurately. She is slim and attractive, long hair with highlights, tanned, shaved pussy, wonderful firm tits with nipples that really stick out.

The Story:

Demi waiting on landing in just underwear, stockings & shoes. Discussed services on offer then she fetched a drink while I got ready. She gives a proper massage and uses her tits too. When it was time to turn over Demi was already naked. She continued massage while I played with her and sucked her tits. Then BJ and finished with her riding me. She cleaned up and we chatted while I got dressed and admired her naked body. She didn't rush me out as she hadn't got another booking straight away.

A lady who genuinely enjoys her work and wants to please the customer.
