The Story:

Third time of seeing Trisha so knew what to expect. Been workin most of the day so showered to find trisha waiting on the bed. Straight into a bout of very passionate kissing with time to play with Trishas lovley boobs letting me lick and nibble those lovley nipples.

Have sampled Trishas OWO before and this time proved to be no different, not one of these ladies who's sole intention is to make you cum as quick as they can, trisha gets great pleasure in taking you to the edge and teasing you for ages. All the time breaking for plenty of ball licking and bum hole teasing every time i see trish her toungue pleasures my arse with great enthusiasm. Trisha tried to introduce me to her toy (the bullet) slipped it into a condom and lubed it up. Well even with trishas earlier attention to my bum hole and all that lube it wasent having it. We had a laugh and she giggled as she called me a tight arse!!

my turn to return the favour to trisha down on the allready moist pussy for a bout of reverse o. lots of encouragement with her pussy being responsive and getting extreemly wet.

Could not wait any longer needed to blow my load, trishas willing mouth was the target and a few mins of her wonderful oral skills had me shooting my load into her mouth all the time her sexy eyes just looking up at you.

After both cleaning up lay on the bed chatting bout various stuff no rush or forcing of conversation here.

Round 2 began again with trish shucking my cock back to life and a nice bit of a titty wank then out of the blue trish started playing with herself whilst letting me wank off into her mouth becoming very vocal as we both neared our orgasm. Awesome

Seen trish 3 times now and not yet fucked her. Who cares!!! when all this is on offer.

So guys if like me you are into the slightly larger lady rather than the model stick insect type look no further. just one warning she is very addictive cant wait for my next visit.
