The Story:

Went to debbies for some tie and tease and mild domination with Cssi... It turned into a Debbie training session as Cassie is learning the ropes so to speak... My lucky day.. had two lovely women undressing me... with Debbie in shinny black thigh length boots.. and Cassie in a cami and knickers.... was made to adore both of them and shown by Debbie how to lick first her boobs and then Cassie's which were sensational...punishment to my nipples, and back side was given when i was not pleasing ether of them and was then tied on the bed and made to watch debbie play with herself with a big dildo,while Cassie leant beside me.. one hand pinching my nipple,the other playing with me... then it was Cassie's turn who after playing with the dildo,made me lick it and take it deep into my mouth while Debbie licked my balls... this went on for some time,,, each alternating always with Debbie in control... kissing, teasing and punishing me... Being made by Debbie to then fuck Cassie from behind while being whipped by Debbie was amazing.... all in all i cant speak highly enough of Debbie's.. i rarely use these establishments.. but this is something special... a real experience.... Cassie has already found her feet.. and would recommend her most highly... If you are lucky enough to get a training session as i was, then you will understand why i gave them a big tip, which Debbie very nicely tried to refuse.. its these little touches (not demanding tips) taking their time.. stopping you from comming too quickly..which make such a difference.. I left invigorated.. with a warm bum! and a feeling that why had i left it so long to go there.. Thank you both.... R
