The Premises:

Close to the tube station in a quiet street with a door out of view of passing pedestrians. A nice warm welcome from the maid and I was led through to the chamber to await Jessica

The Lady:

The photos on the web site do not do Jessica justice - she could body double for Catherine Zeta Jones . A lovely fit and tanned body, great hair and a face like an angel. A very bubbly and friendly disposition hides a wicked side to this lady, she loves humiliating men

The Story:

Initial nerves were soon settled with a drink and a chat of what fantasy led me to the retreat - to be humiliated by a dark haired raven.

Jessica knew what was required and within moments I was spread eagled on the cross with my balls being tormented and then tied up with a silk stocking. This was mild to what happened during the nipple torture, six days later my nipples are still quivering and erect. Then it was onto the bed and restrained, what happened next shall remain between Jessica and myself - all I shall say is that my wildess fantasies of humiliation were surpassed.

What a way to spend a Saturday afternoon - brilliant. The pennies are already being saved for the next round with Jesssica
