The Premises:

VIP is clean & tidy and very welcoming, you enter a dubious looking alley way behind a white door off a very busy road, It's very good when you get in. great big room & bed.

The Lady:

Early 20's, bit of a rough complexion, dyed red hair, tallish, 34c ish tits, great long legs and slim. slight Liverpool accent

The Story:

Jodie was wearing black bra & knickers and white cowboy boots no stockings. Not the greatest entrance ...she starting to eat a boiled sweet!

No massage just a bit of rubbing while she asked a million questions

AT LAST she tickled my balls from behind, covered oral which was ok, no kissing, no real reaction to playing with her tits but she has good nipples. She lubed up, loads of it, I took her from behind for what seemed like ages but managed to get the spunk out eventually, despite the fake moaning, strangely I will recommend as I know others would like this girl but she is a girl and I like a woman who know what she is doing and Jodie did nothing awful she just didn't do anything (for me) that was great
