The Story:

Paid extra for the video option! Used my christmas present from the wife to video us in action. This the third time, wife still has not found the videos! Sabrina is not shy and appears to like being photographed and videoed, will we had sex. She does OWO but no CIM on this occasion. I had a slight problem on one occassion where I shot my load after she fondled my cock for a minute! Caught that on video. I had had no sex for a month (no wanking), so I was like a teenage boy, real trigger happy. She is a very sexy and is able to hold a nice conversation.
