### The Premises:

As reported previously, not impressive from outside but OK inside. Room clean & tidy

### The Lady:

Fairly tall and good looking wearing thigh length white boots and a skimpy nurses uniform. She is not my type but could be very sexy for the right punter

### The Story:

She is a talker not a listener and didn't take note of what I or my reactions were telling her. As a result, it was not a good punt. No real kissing, O was only with despite the receptionist's statement and I came away vowing not to return.

There must be a more classy place in Preston
