The photos on the website are very accurate, Jazz is a 5'5" brunette with a figure and skin that would do credit to a much younger woman, and the firm breasts of a teenager!

The Story:

The arrangements were handled by Judy's in a friendly and efficient manner, and I arrived safely on Jazz's doorstep. The previous FR described her as then a little nervous, but she is now confident, well organised and friendly. She gave me a drink downstairs before we moved up to her bedroom, where she offered DVDs, but I thought just music was fine. She gave me a brief fingertip massage with a most delicate touch, like the fluttering of butterfly wings, before moving on to more serious action. There was nothing routine about her service, she was very keen throughout to make sure to do exactly what I liked best, and was full of suggestions for things to try, including different positions, on a chair as well as the bed, toys, and the ice cubes! Jazz is very keen that you should enjoy your visit, and is willing to go to a lot of trouble to make sure you do. For a mature escort with a stunning size 10 figure, you could not do better.
