The Premises:

Nice 1st floor flat. Clean & tidy; Door entry system and I felt very safe.

The Lady:

Sati is a sweet young exotic beauty that has a lot of vitality and would seem to like entertaining men. She has a body to 'die for'. Small & pitite but nice nipples and a good handfull of breast. Shaven and tight pussy.

The Story:

A lovely lady who will put you at easy and then give you a lot of fun.

Great at giving oral all over ur body but especially on the cock..... she seems to love doing it and does it very well. Too well she had me cuming very quickly. I expected to be 'finished' before the hour was up but she was happy to continue to try and get me hard again. Using all the oral tricks in the book and rubbing her lovely tits all over me until I was hard enough to get the condom on.

Then it was time for her warm wet & tight pussy to get over my cock..... first riding me facing then riding me backwards.... and finishing with me taking her doggy-style.

A great lady..... well worth trying.
