The Premises:

Parlour, quite plain from the outside on the main high street.
Very clean place and made to feel very welcome.

The Lady:

I choose Rachael as she was blonde (as you can see by her picture on their website) but when she came up to see me, her hair was dark!
But she was stunning anyway, so i don't think that matters to much.

The Story:

She was a joy to be with, very nice girl all round. I opted for a massage and then oral (covered) and she was more than willing to keep stopping to stop me popping!
I also had a really nice chat with her afterwards and she was a very pleasant girl.
If i am in this area again i would visit this place again and her, if available.
