The Lady:

just as described on the site, maybe a little chubbier but also much sexier if you like chubby girls.
she was just as i expected

The Story:

well ... great punt. she does her best to be sexy and succeeds perfectly. she does 9/10 bbj and quite good deep throat.

her boobs are large and soft and her nipples massive. she lets you suck her as much as you want.

nice shaven pussy she masturbates repeatedly ... believe she enjoys showing you

very good sex in all positions (8/10), she does anal willingly although when it came to serious rodgering she was in pain.

CIM was offered at the end of a very long one hour and dutifully executed (7/10) albeit with somewhat less passion than the rest.

i'll see her again as i believe that repeat visits almost always improve good performances to perfect ones. she's a really talented girl
