The Story:

I had originally booked to see Gabby, but due to some mix up Gabby was not expecting me when I arrived. The chap at the agency quickly arranged an alternative girl and this is how I ended up seeing Anastasia. Anastasia, doesn't usually see guys for half an hour but did so as favour because of my apparent cancellation. Normally I see, slim teen types, but in view of this experience I may have to change my mind.

When I arrived she was wearing a silky dressing gown. She immediately kissed me full on and I was already feeling happy. I handed over the gift as she calls it, and she disappeared for a bit only to return with a ?10 note in her hand. Apparently I had paid 10 too much! I was impressed with how honest she is and commented on this, to which she replied that she believes in only taking what she deserves. What a wonderful woman I thought.

We then continued with DFK for quite some time, whilst undressing each other. We continued lying on the bed kissing. I then asked for oral and she gave impressively deep oral. I thought I better stop her before it is all over. I put on the cover and entered her in mish. I thought that because she is a bit big, she would not be very tight, but I was wrong.

After an easy start, I began thrusting hard and she cried out "fuck me deeper", and I obliged. Then she did something no other girl did. She started vigorously thrusting her hips at me. Much more than most girls do, even when they are really excited. In fact I didn't even have to move! I had to keep stopping her otherwise I would have come too quickly. In the end I gave in and came powerfully. Amazing. It usually takes me quite some time to come. So there you have it, size isn't everything! She was really nice to talk. Honest, sweet and sexy.
