### The Premises:

shabby area but a great big flat. she shares with another girl.  
clean and the shower works well.

### The Lady:

it is the lady in the photos only slimmer, although she does not look big in the photos. i would say about a size 8 if that great pert tits with really suckable nipples.  
long long legs and just so horny

### The Story:

well she kisses like there is no tomorrow,  
could sick start a car though the exhaust and knows how to suck cock, she explained to me that cim was out but she would be ok with cum on her face. great she wiped my cock around her face as i came.

she is very fkexible and loves to be fucked.

fingers anywhere was going for anal and never got round to it she felt so good.

go and see her she is a great looking lady who is such great value for money.

wiull be back as soon as i am in the area
